

## STUDIO SAFETY REQUIREMENTS

**\*\*For the safety of our students and all others who enter our doors, we request that you please observe the following studio rules at all times:**

- Parents must come inside to drop off or pick up students. For safety reasons, students ARE NOT allowed to leave unless a parent or guardian accompanies him/her. (please do not send in older siblings in place of a parent.)

### FOOD/DRINK POLICY

- NO Food of any kind, Drinks (except for sport capped water), Gum or Candy at anytime. Trash cans are provided for your convenience outside the lobby entrance.

### STREET vs. DANCE SHOE POLICY

- NO Street Shoes inside the Dance Rooms—Dance Shoes only allowed! (oils and dirt from street shoes can damage the dance floor surface)
- Dance Shoes should not be worn outside of the studio. The oils and dirt from the pavement can damage shoes, causing them to wear out quicker.

### DANCEWEAR COVER-UPS

- Cover-ups must be worn over all dancewear when entering and exiting the studio. This applies to ALL students no matter the age.

### GENERAL RULES

- Dance Room doors remain closed during class time. To avoid distractions please do not open door except in an emergency.
- Please stay clear of access ramps in front of dance room doors. Please DO NOT let children sit or play on ramps. These are EMERGENCY EXITS!
- Please do not let siblings run around, jump or stand on furniture or horseplay IN or OUTDOORS while waiting on someone to finish class. This is a very HIGH TRAFFIC area and there is a lot of potential for serious injury.

Dance Reflections Staff strives to make this studio a safe and pleasant environment for all. We thank you for your understanding of our STUDIO SAFETY REQUIREMENTS and greatly appreciate your cooperation in making sure they are upheld.
